```

The diagram illustrates the dependencies of the file `tesseract_common/include/tesseract_common/timer.h`. It is represented by a grey rectangular box at the top. Two blue arrows originate from the bottom of this box. The left arrow points to a white rectangular box labeled `tesseract_common/macros.h`. The right arrow points to a white rectangular box labeled `chrono`, which has a grey border. This indicates that `timer.h` depends on both `macros.h` and the `chrono` library.
